**Scholarly communications (general)**

- Publication policy
  - Open Access policy
  - Open data policy
  - Browse e.g. by top viewed. by publisher or research funder or by conf proceeding
- Repositories & services
  - Search, e.g. top 100 searches, API or save this search
  - Statistics
  - Information services, e.g. bibliographies/researcher showcases, portals, re-using/sharing IR data: export/embed data
- ...

**Evaluating research**

- Bibliometrics & impact
  - Citation tracking
  - Citation analysis
  - Benchmarking
  - Tailor-made bibliometric analysis
  - Citation measures and tools, e.g. Research or Social impact, university rankings, Altmetrics
- Management information (the research record)
  - For national research assessment
  - For internal reporting
  - Activity types, e.g. from IR & CRIS integration to content import / export, validation, to web showcases

**Registration & identification**

- Request an ISBN/ISSN
- Researcher ID support, e.g. ORCID implementation or researcher ID correction
- ...

**Digitisation / curation / multimedia support**

- Digital production
  - Research databases
  - Curation of special collections, e.g. cultural heritage material
  - Video, e.g. production, publishing / sharing
  - Audio, e.g. from tech hire to podcasting
  - Image, e.g. photo stocks to illustrations and animations for medical research
  - Poster production, e.g. workshops on how to create a good poster
  - 3D printing
- Multimedia production & management
- Digital consulting
- ...

**Improving the academic profile online**

- Social media and your research (guides)
- Types, e.g. from RSS, bookmarking tools to podcasts, wikis and to academic social networks
- ...

**Publishing support**

- Rights, copyright & licensing
  - Author's rights
    - Copyright amendments or addenda
    - Guidelines or fact sheets, e.g. on recommended practices or FAQs or
    - Copyright Information point/center (online)
    - Copyright compliance tools
    - Online tutorials
    - Courses & workshops
  - Copyright
  - Licensing, e.g. Creative Commons
- Writing & citing
  - Grammar & style
  - Guides, e.g. on how to write an annotated bibliog to a critique to a lit review
  - Language, e.g. academic English courses, translation
  - Courses & workshops, e.g. on systematic reviews
- Institutional publishing
  - University presses
